Filling every backpack for the new school year

‘LET’S FILL ALL THE SCHOOL BAGS’

Ramon Soler® is working with the organisation EIXIDA of Sant Boi de Llobregat to collect and donate all kinds of NEW SCHOOL SUPPLIES: notebooks, coloured pencils, felt-tip pens, card, as well as hand sanitiser gel and face masks. EIXIDA of Sant Boi de Llobregat is a non-profit organisation, founded in 1996, with the aim of responding to the needs of children, young people and families in the Camps Blancs neighbourhood, on the outskirts of Sant Boi de Llobregat, offering opportunities for education, leisure, learning new technologies and career guidance. Camps Blancs is a neighbourhood with families at risk of social exclusion and in vulnerable situations. The brand has set up a collection point within the premises of Industrias Ramon Soler, so that staff and anyone who wishes to can contribute until 16 October. Once again, Ramon Soler® shows its solidarity and social commitment as a company through an act of volunteering, helping children and the neediest families in these difficult times, when the pandemic has left thousands unemployed in our country and the return to school is out of the ordinary.
