RC by Ramon Soler®

An amazing waterfall over your body

Moving nature and feeling the unique sensations of an abundant waterfall falling on the body, it is possible with the new sprayer **RC** by **Ramon Soler®**.

The brand presents the spectacular RC with a cascading water outlet that offers us the benefits of wellness in a shower head that, in addition to having an avant-garde and exclusive design, provides us with unique benefits, such as toning the body and filling it with vitality.

Shower head RC by [Ramon Soler®](#) offers users pleasant moments of relaxation, while helping to combat daily stress and fatigue. With a free fall identical to that experienced by water in nature, the pleasant jet of this new model takes us mentally from place to place and makes us feel as if we were immersed in the middle of a natural space.

RC by **Ramon Soler®** is minimal thickness and abundant water outlet, a spectacular design, something that undoubtedly enchants the most passionate of design. RC design, which is a recessed wall sprinkler, is as if a cascade of water falls from a thin blade. A design that undoubtedly fits perfectly in environments with avant-garde aesthetics, with a minimalist format and an impeccable finish.
